FINDING YOUR CALLING

Year 9 and 10 secondary students are planning their Work Experience placements for a week in Term 3. This is now a good time for them to assess what their strengths and abilities are so that they may ponder as to what area God may be calling them for their future career.

It is not just a job. When God calls us it certainly is a ministry in that particular field of work. Talking about Bezaleel in Exodus 31, God says “And I have filled him with the spirit of God, in wisdom, and in understanding, and in knowledge, and in all manner of workmanship (verse 3).

There are other examples where God’s call was not religious in a formal sense: Nehemiah the wall builder, Daniel the government official in Babylon, Luke a first-century physician. So consider this - when you demonstrate Christian character there in the call God has placed upon you, you are fulfilling God’s purposes on the Earth.

God will call upon you to do what looks too big for you. Why? So that you will never forget where your strength and success comes from.

Lasting fulfillment comes from knowing you are doing what God has called you to, and whenever you are doing this, you experience a lasting pleasure that only God provides, something that simply can’t be found anywhere else!

PLEASE PRAY THIS WEEK for the HOPE JOHNSTON and both the HOUSE Families. (Welcome to little baby Judith Brown born Sunday!)

SECONDARY SPORT TOMORROW

Basketball and Volleyball will be the activities tomorrow. Please ensure that you have the right gear for tomorrow, with black shorts/black track suit pants and Olivet sports shirt.

Thank you to Mr Morcos for taking the Basketball drills and refereeing the games over these three weeks.

CONVENTION PREPARATION

A reminder to all Secondary students that to save a last minute rush, you should be starting to plan you items and your art/craft work for Convention in October.

Photos can be taken now and mounted, art work can be framed now too. Craft work may be in the process of being created especially those items which you are preparing at home such as claywork, knitting, crocheting, cross-stitch, tapestry, any metalwork and woodwork too.

Students need to get a copy of the Convention Guidelines.

WEDNESDAY 25 JUNE will be a student-free day as staff finalize reports to be distributed to parents.
This has been a big process as we adjust our reporting procedure to report on National Achievement Standards.
Due to the restructuring of our computer system and software within the College, reports will be distributed at the end of Week 1 of Term 3. This is a big change and we apologize for this delay beyond our control, as this process has been fore-stalled through no fault of our own. It is always the Staff’s desire to have reports issued to parents by the end of term, but in this instance it is not possible.
Class Teachers will have reports in Draft Format if parents feel it is essential to see the progress of your child before next term. Please contact Mrs Revell to arrange this if needed.

TUESDAY, THURSDAY AND FRIDAY will all be normal school days for students.
Lunch on Friday will be held at 12.30pm, followed by our normal Presentation Afternoon commencing at 1.15pm. Students will be dismissed for the term at approx. 2.30pm.
All parents, grandparents, families and friends are always welcome to come and share in the afternoon proceedings.
